

TAMA ACHIEVEMENTS

Strengthen Organizational Devt. Capacity

- More projects – ISDSM, MSL, MBM, UNFPA I.P, 50,000 HB
- TAMA Staff continue to grow to 7 now - full time
- Strengthen partnership & networks – ICM, Leardal Global Health, UNFPA, MoH, TNMC, AGOTA, MEWATA, Pediatric Association etc.
- 5 Long-term CUSO volunteer support (Advocacy, communication, M&E, Gender Equality and Social Inclusion)

Organizational Devt. Capacity

- **Adaptation, development & dissemination of National Basic Midwifery competencies**
- **Dialogue with policy makers (stop midwifery certificate program, re-instate BSc. Midwifery program)**
- **Review of TAMA docs (constitution, S.P, Financial etc.)**

Strengthen Midwifery Services

- **Training manuals developed**
- **MEST – (focus on Competencies, RMC & Referral protocol)**
- **More than 600 midwives trained**
- **20 + 24 TOT's (44)**
- **39 Mentors**
- **Conduct meeting with other stakeholders working on RMNCH**

Strengthen Midwifery Services

- MSL Country advisory committee meetings
- RHMTs & DHMTs supportive supervision

Regional leaders testimonies;

- increased competencies,
- reduction of referrals,
- referral forms filled well
- Improved communication
- Increased clients

Public and Community Engagement

- Advocacy through various platforms in collaboration with TCDC (social media, community sensitization, male & local leaders involvement)
- Series of strategic meetings Government Officials, for lobbying and advocate for policy to enhance midwifery competencies at certificate
- Updated website
- Recruit more members & strengthen TAMA branches

Public and Community Engagement

- **Recruitment of CHWs – equip them with advocacy skills and working tools**
- **Community hearing – voices from the community**
- **Increasing community awareness of RMNCAH issues and building the community capacity to advocate for their own RMNCAH needs**

National Advocacy and Visibility

- TAMA profile and visibility heightened during IDM (showcase midwifery services, recognition by vice president, guest from ICM, SANOFI, MoH)
- TAMA – member of MoH Technical groups (Safe-motherhood, FP)
- TAMA activities included in the MoH Strategic Plan
- TAMA Leaders interviews through various social media (TVs, Newspapers, Radios etc.)

THANK YOU
