COVID-19 Information in Indigenous Languages

A number of provincial and territorial governments are making information about COVID-19 publicly available in Indigenous languages. Here is a list of some of the resources available.

Ontario:

<https://www.ontario.ca/page/2019-novel-coronavirus>

The translations are available in [Nishnaabemwin](#) (Eastern Ojibwe), [Kanien'keha](#) (Mohawk), [ᐱᓂᓂᓂᓂᓂᓂᓂ](#) (Oji-Cree), and [Swampy Cree](#).

North West Territories:

Respiratory Health Practices (January 2020)

Inuinnaqtun – <https://www.hss.gov.nt.ca/sites/hss/files/resources/healthy-respiratory-practices-inuinnaqtun.pdf>

North Slavey - <https://www.hss.gov.nt.ca/sites/hss/files/resources/healthy-respiratory-practices-north-slavey.pdf>

South Slavey - <https://www.hss.gov.nt.ca/sites/hss/files/resources/healthy-respiratory-practices-south-slavey.pdf>

Inuktitut - <https://www.hss.gov.nt.ca/sites/hss/files/resources/healthy-respiratory-practices-inuktitut.pdf>

Tlicho - <https://www.hss.gov.nt.ca/sites/hss/files/resources/healthy-respiratory-practices-tlicho.pdf>

Audio files on COVID-19 can also be found at the bottom of this [webpage](#) with translations to: [Chipewyan](#), [Gwich'in](#), [South Slavey](#) and [Tlicho](#).

Quebec:

The Government of Quebec has issued press releases on COVID-19 with translations to Atikamekw, Innu, Inuktitut and Cree. These translations can be found on their [webpage](#) on the right side under Government of Quebec. The files open as Word documents.
