

# FIRST NATIONS EDUCATION TRANSFORMATION FORUM K-12 FUNDING

The Assembly of First Nations (AFN) Education Funding Forum is an opportunity to share and learn from our local, regional and Treaty-based experiences in implementing new policy and funding approaches for First Nations K-12 Education.

The Forum provides a platform for participants to gather and share perspectives, learn from trailblazers, engage in critical dialogue, network with each other, and build positive relationships. The Forum will include plenary and workshop sessions that provide opportunities for participants to share and learn from on-the-ground experiences, strategies, challenges and successes in finalizing K-12 interim funding approaches and/or Regional Education Agreements (REAs).
